TOTAL HOURS: _____ SIGNATURE: _____

INSTRUCTOR SIGNATURE _____

If you arrive late or leave early, subtract that time from your logged hours. Our records must match yours. You must be present for 80% of the total classroom hours to qualify for the school exam. You will not be eligible for the state exam until the minimum classroom hours are complete, as well as successfully passing the school exam. Do not call to register for the state exam until you have received your school completion certificate from the Striker School of Real Estate. You have 6 months from your start date to pass the school exam, or will need to repeat the course. Please do not lose this student record.
